

Hello Moreland Parents! While this school events this year may look different, we know there will be no lack of opportunities for volunteering. Here are some of the ways in which you can contribute. The Volunteer support the PTA receives is golden to us: it is the backbone of this school community, and it is extremely rewarding to be a part of something that gives back! Most of our needs as volunteers can be done virtually in the comfort of your own home.

Circle Items you are open to assisting with this school year. Someone will be in contact with you, and you'll automatically be entered into our database of volunteers to keep updated on what's upcoming for events/opportunities.
